

FERNANDINA BEACH CHRISTIAN ACADEMY

Happy Fall! September was filled with new afterschool clubs beginning, our first annual fall cookout, Grandparents Day, See you at the Pole and lots of learning! We are so thankful for the ways we are able to not only be a school here at FBCA, but truly a family. We are looking forward to what October has in store for us. This month we will be celebrating the history of our school with our Founder's Day chapel. We are excited to celebrate God's faithfulness in the life of our school and hope you will join us! We will also be celebrating 50 days in school a our Sock Hop. It is such a blessing to be at a school where learning and fun go hand-in-hand.

Our theme for the school year is Difference Makers. One of our middle school students has felt a call to make a difference. Raleigh Simmons has come up with a fundraiser to collect pacifiers for The Nest- women's center. Middle school students have been collecting these and we are so proud of these students working to make a difference in our community.

FERNANDINA BEACH
CHRISTIAN ACADEMY

Preparing children to be Christian leaders is a tough job. As parents, teachers, grandparents, and friends God has given all of us the privilege of raising up the children He has placed in our lives. Sometimes this job is so overwhelming and you wonder if you are getting it right. Sometimes it's the toddler pitching a fit for no reason, or siblings who just seem to not get along, the student who won't turn in their homework, or the teenager who seems to have an attitude out of nowhere! God knew that influencing the next generation wouldn't be easy but He gives us promises for the tough days. Proverbs 22:6 says, "Train up a child in the way he should go, and when he is old he will not depart from it." What we do for our students and children matters today. God hasn't failed on His promises before and He won't start now. At FBCA, we stand with our parents to train up these students on the hard days so we can celebrate the victories in the future!

Faithfully,
Kaysley Thornton, Principal
